

## SHOWA 737

The SHOWA 737 chemical-resistant glove features an extended gauntlet (15"/380mm) to protect the hand and forearm from a broad range of hazards. Designed with performance in mind, the 737 glove uses 100% nitrile to create an impermeable barrier. Bisque surface grip makes wet work easier and safer, and a flocked liner makes the glove easy to remove.

### BENEFITS
